and Christmas Party

2008 is about to come to a close. We have had a great year so far in grade 6. The following is a quick look at the rest of

this week / year.

"Blackmore Buck" Auction

Students have been working hard at earning their Blackmore Bucks throughout the school year. We will be having an auction Friday morning. Donated dollar store items would be greatly appreciated, if anyone wishes to help with this.

Christmas Presence

The Christmas Presence food drive is about to come to a close. We have had great response from all of our students and are very grateful for the generosity shown.

Christmas Party

For our Christmas Party we are asking students to bring \$3 for a pizza party. Any one wishing to bring extra treats would be appreciated. We should have between 60 and 65 at the party.

MES Christmas Program

The Christmas program will be held on Thursday December 18th at 7 p.m. We are asking all grade 6 students to be in the Tom Karren Gym by 6:30 to get ready. We are asking that students dress in their Sunday best for the program as they will be front and center performing on the hand bells.
